Description

Retro dome pearl ring made of 18 karat yellow gold with Midnight Blue enamel accents. The dome is set with 30 small seed pearls. Pearl size ranges from 2.5 to 3 mm in diameter. Italian work, Retro period, end of the 1950s.

Owl hallmark.

Retro period jewellery is characterized by the use of yellow gold, the development of 3-D volumes and by the rarity of precious stones. Here we have a perfect example of such jewelry: with this large ball's volume; the use of pearls - of which there was no shortage at this time - and enamel, thus making it possible to compensate for the lack of precious stone. The Second World War had a considerable impact on jewelry fashion during
