Description

PLEASE SEND ME YOUR
OFFER EXCEPTIONAL OBJECT ENAMELS PERIOD NAPOLEON III SUPERB DOMESTIC USE I can well imagine the butler going down to the cellar, who was often in the dark, the flickering candle had ended up going out. in the current of air .., until the day when the hostess bought this little jewel ... in the shape of a candlestick, where even the switch is covered with enamel .... the light was .... The candle is in opaline, the screw-in bulb intact, all that is missing is a large and flat battery to use it again ... Unless your cellar is equipped, to this day , of the electricity fairy ....
