Description

Falcon fights, 19th century

circle of John James AUDUBON (1785-1851)

Beautiful large 19th century study of a couple of falcons fighting like another bird escapes, oil on panel. Superb quality and old condition of ornithological study similar to the paintings of Audubon of the time. Clean surface showing fine details and bright pigments. Good condition of the panel and presented in a gilded frame.

Dimensions: 80cm x 60cm framed approximately
