

Pair Of Dragon Epaulettes, July Monarchy.

200 EUR

Period : 19th century

Condition : Très bon état

Description

PAIR OF DRAGON SHOULDERS, July Monarchy. Body woven in dark green wool, rotating and soft fringes in scarlet wool, lining in dark green cloth with one of the two moth-eaten linings and bearing a sewn ecru canvas label marked with a feather "D 3419". Very good condition, one of the shoulder pads is slightly discolored, it is a pair that was rematched at the time but perfectly homogeneous. France. July Monarchy.
