

Corner Louis XVI End XVIII I

670 EUR

Period : 18th century

Condition : Très bon état

Material : Walnut

Width : 64

Height : 76

Depth : 46

Description

Small curved corner in Louis XVI style and period, with white Carrara marble top. The facade simulates two walnut doors highlighted with marquetry nets and opening onto a shelf. The feet are also inlaid with ebony and boxwood. We recommend fixing it to the wall because the weight of the door can cause it to tip over if it is not loaded enough inside (two holes are provided for this purpose) Transport estimate on request, specifying the city.
