

Figure

270 EUR

Period : 20th century

Condition : Bon état d'usage

Material : Linen

Length : 63 cm.

Description

From Burma, I offer you this beautiful puppet representing the alchemist, the learned doctor of the court. This character is part, in its own right, of the recurring characters of the Burmese puppet theater. The face has a superb "complexion". Everything is original and typical of the character, a downside despite everything, it lacks the stick that this character usually holds in both hands.
