

English Plate XIX S Openwork Faience And Hand Painted Narcissus Flower

250 EUR

Period : 19th century

Condition : Etat d'usage

Material : Earthenware

Diameter : 24

Description

Very beautiful English earthenware plate (no mark but could be Minton), dating from the mid-19th century. In the center of the hand-painted flowers of narcissus, botanical painting of very high quality. Note: a "hair" in the center of the plate (see last 2 photos) and the glazing of the ceramic presents (which is quite normal in the aging of earthenware) a fine cracking.
