Description

Lyonnaise chest of drawers in carved walnut, opening with 3 drawers with very beautiful bronzes.

The old Lyonnaise chest of drawers from the 18th century is inspired by the Louis XV style.

The Lyon chest of drawers is easily recognized by its rich sculpted decoration. The facade is slightly curved or crossbow.

The low waistband is straight or eventful, often with a Regency shell in the middle, and rests on low arched feet. The tray cut in bec-de-corbin is made of wood.
