Vienna Bronze Rabbit Late 19th

420 EUR

Period : 19th century

Condition : Bel état

Height : 5

Description

Charming little rabbit, in Vienna bronze. This little bunny is a yardstick!

The Vienna bronzes are eptite figurines, made in Vienna in Austria, and are of course in bronze.

They are colorful and of very high quality. Their production takes place from the 1850s. Very often, of all, small sizes they can be purely decorative or have a utility like our rabbit.
