Description

Very rare subject representing Cupid accompanied by an angel forging his arrows of love. The charm of this table is captivating, letting me believe in a spell. At the bottom right of the arrows are deposited. The format of this painting is easy to display. Its frame is old, carved in wood. Some gaps appear. It is possible that I will restore it. For the conservation of this painting, the canvas was re-coated in the 19th century. Table measurements are taken without the frame.
