Lovely Small Table Painting Metal Bridge Over The Seine And Brick House

220 EUR

Signature : Bonnier

Period : 20th century

Condition : Bon état

Description

A little surrealist air for this oil on prepared cardboard which represents a metal bridge spanning a river, perhaps the Seine. On the edge, a charming little brick house seems to watch over the scene. Pretty white clouds animate the sky of an intense blue. A very beautiful palette of colors, a great finesse of execution characterize this painting. Signed in red lower right "Bonnier". Period around 1900. Work a bit naive but very well executed! Dimension: 24 cm x 31.5 cm A simple half-round golden rod frames the painting. In good condition. Many other objects to discover in my booth at the Trade Shows in which I participate.
