

Pair Of Medici Vases Tender Pate From Mennecey

980 EUR

Signature : Mennecey

Period : 18th century

Condition : Restauration musée

Width : 7

Height : 8

Description

Pair of Mennecey soft paste vases signed D V, with decoration of seedlings and bouquets of flowers. 1748 creation of the manufacture by François Barbin then working in Paris, to bypass the monopoly of Sèvres, the manufacture benefits from the protection of Louis François Anne De Neuville Duke of Villeroy. To note just a shower foot of a vase is broken (for the moment it has a museum restoration) if not impeccable. These vases are from the beginning of the manufacture of the manufacture
