# French School Late XIXth : "jete d'Oeillets"

280 EUR

Period : 19th century

Condition : En l'état

Material : Oil painting on cardboard

## Description

French school at the end of the 19th century: "The throw of eyelets", oil on cardboard 27.5 X 41 cm, mounted in a wooden frame 33.5 X 47 cm. The vagaries of inheritance and other moves have caused some chipping and denting (see photos), easily restorable but which need to be noted, as well as a yellowed varnish to lighten. It will then recover all its delicacy which is reminiscent of the greatest impressionists. Do not hesitate to ask us by mail or telephone for additional information or photos. We have many objects and paintings to restore in our shop / shambles / depot in Pau where I let myself be invaded a little and for which we prefer selling on site, preferably in lots. Come help us tidy up by buying! Other photos and many other objects in our stores in Pau and Biarritz and on our website: galerielhoste.com.
