Buffet Two Bodies Louis XVI XVIIIth 2

1 600 EUR

Period : 18th century

Condition : Vieux état

Material : Solid wood

Description

LOUIS XVI PERIOD BUFFET - LATE XVIIIth
Directly taken from an old property in which he slept, this two-body sideboard has simply been dusted off. It is therefore entirely in its own juice, and has very few restorations. For lovers of "untouched" furniture. The upper part has 3 shelves. The lower part has a part that opens from the top to discover a sort of chest (for bread?)
And the buffet part proper below with an interior shelf. 268 cm x 135 cm
