Description

Very pretty little snuffbox, rectangular, in solid silver. It is equipped on each side with a different Pyrogen system, a classic scraper on the one hand, and a chemical match scraper on the other. The back is adorned with a pretty wood, and the inside of the lid is in vermeil, as for the outside it is engraved with a roaring crowned feline. Hallmarks well legible, but I did not identified them.

European working, dating from the end of the 19th century, perhaps around 1900 ..

Good general condition, 2 small shocks, pinhead size, and the item will have to be cleaned.

Dimensions: 7.5cm x 4.5cm x 3cm.
