

Perseus With The Head Of Medusa, 19th Century Bronze

5 500 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Width : 18 centimètres

Height : 120 centimètres

Depth : 18 centimètres

Description

Bronze representing Perseus with the head of Medusa on a finely worked marble plinth. On all four sides, it has niches with four mythological bronze statuettes housed inside. The statue is the scale copy, which we find in the Loggia in Piazza della Signoria in Florence. Dimensions: height 120x18x18 cm. Period: early 19th century.
