Description

Large watercolor from the late 19th or early 20th century. It represents a portrait of a woman, who could be a gypsy but just as easily an oriental from the Mediterranean rim such as a Moroccan Jewish woman, very close to the photographic representations of the 19th century. Certainly the work of a good artist. Condition: Good. Formerly framed in an oval, which reveals the difference in tone of the exposed paper. Fast and careful shipping, with tracking. Possibility of hand delivery, in the south of France, Gard and surroundings. Available for any request for additional information
