Period : 20th century

Condition : Très bon état

Material : Glass

Description

Manufacture unknown : "Bubulle, the big goldfish", red blown glass and white glass applications 26 X 35 X 12 cm. If it is reminiscent of the productions of the Vianne glassworks, the thickness of the glass (crystal?) Would remind me more of the Murano productions, but without any certainty! Circa 1960/70, super nice and very decorative. Well, that's it, a page is turned: after 11 years of occupation, we are leaving our official apartment in Biarritz while waiting to find one of our own, but the Galerie de Biarritz is of course continuing its activity. But Nature and I have a horror of emptiness, I let you imagine everything there was inside and the house where we group the move may be large, I will have to separate little by little of a certain number of objects, furniture and paintings... So, it is the case
