1 500 EUR

Period : 19th century

Condition : Très bon état

Material : Sterling silver

Diameter : 35

Description

Superb presentation plate, dating from the end of the 19th century in baroque style. It has no hallmarks but the object has been verified and it is in solid silver, I do not know the title of the silver but, being an Italian achievement, I suppose that the titre of the silver is 800/1000.
