

Elements Of Carousel In Carved Wood, Louis XV Style Decor

750 EUR

Period : 20th century

Condition : Dans l'état

Width : 41cm

Height : 167,5cm

Description

These three elements from a merry-go-round are each made up of two mirrors, one of which is smaller in the upper part, in a carved and gilded wooden frame with a decoration in light relief and projection at the top, characteristic of the Louis XV style. There are indeed curved and counter-curved ornaments such as rolled acanthus leaves, volutes, shells and Rococo elements.

Note that the small mirror of one of the panels is missing and that the large one of the same panel is broken at the bottom.
