Console In Zebrano Art Deco Period

1 000 EUR

Period : 20th century

Condition : Restauré par notre atelier

Width : 77cm

Height : 77cm

Depth : 40cm

Description

Console in zebrano veneer and mahogany net The contrast between the tinted base, the zebrano and the Madagascan marble offers a modernist line. The billowing shape of the marble and the belt, the stylized Louis XVI ribbon pattern and the wall console resting on two legs are typical of the XVIIth century. The finesse of the spindle-wrapped feet is in the purest Art Deco tradition. Delivery possible, not included in the price
