

Huge Glass Pharmacy Jar 20 Eme Century

680 EUR

Period : 20th century

Condition : Très bon état

Material : Glass

Diameter : 40 cm

Height : 66 cm

Description

Huge covered pot in the shape of a glass pagoda.
probably an old decorative old glass pharmacy jar
with some pretty funny bubbles and irregularities.
a large pot and quite unusual to offer a pretty
interesting decor.

the glass therefore has a slightly irregular
appearance and has a few bubbles but nothing
harmful when it comes to the appearance of the
object.

dimensions: height 66 cm and 40 cm

approximately at the widest diameter.
