

Mid-century Italian Brass Chandelier With Opal Glass Shades 1950s

5 600 EUR

Period : 20th century

Condition : Parfait état

Material : Brass

Diameter : 83

Height : 102

Description

Mid-Century Italian brass chandelier with opal glass shades. 8-fold electrification. The object is constructed like a flower with a stem, the holders of the bowls come together from the middle to form a strand. Very decorative, elegant-casual ceiling lamp. 2 objects are available. The brass frame is re-polished, the electrification is functional.
