Description

Large Coffee Table From The 1970s-80s In Patinated Bronze And In Portor Marble
large coffee table, design from the 1970s-80s
it consists of an X-shaped base in patinated bronze and topped with a magnificent Portor marble top. thick.
attention the dimensions are impressive:
180 cm long by 91.5 cm wide for a height of 40 cm and a thickness of the marble of 3 cm.
superb design of this living room table, sober and very aesthetic, almost airy thanks to to its base, difficult to render thanks to photos the beauty and aesthetic qualities of this table.
the Portor marble top is magnificent and the gold veins on a black background are dazzling in the light, the patinated bronze base in alternating layers and lightly gilded in places recalls the

veins of the top.
two small chips on one edge of the top but which cannot be seen.
the weight is considerable, the base is very robust and very heavy, as for the marble top you have to be nimum 4 people to wear it because it is very thick, contact me before buying for the calculation of the shipping cost.
an unusual and very decorative large living room table with a timeless design, easy to place in a 1930's, modern interior or even with older furniture. dimensions: 180 cm by 91 cm and 40 cm high
