Description

A pair of large corners decorated with marquetry of flowers in wood with pieces of violet wood on a satin wood background.

They open with two doors revealing a shelf.

The interior of the doors is inlaid with fruit wood in an amaranth frame.

They are adorned with an exceptional garniture of very finely chiseled and gilded bronzes, such as the frame around each door, clogs and apron.

The bronzes are in their original mercury gilding.

Brocatelle marble top
