Lovely Gouache Miniature Of A Young Woman And A Young Man Couple Gallant Scene

190 EUR

Signature : B. Biernstiehl

Period : 19th century

Condition : Très bon état

Description

In a bucolic landscape, the young man is leaning slightly towards the young woman sitting at his feet, a dove in her hand; in a very studied pose, the young person turned three-quarter modestly raises the eyes towards the bird, a tender significance. The young people are dressed in the style of the 18th century; a basket of roses at her feet, the young woman with the deliciously pearly throat holds a wreath of blue flowers in her hands. Finely executed work with particularly shimmering colors. Topped with a delicate Louis XVI knot, its original gilt bronze frame is very finely chiseled with pearls and a double frieze of palmettes and Greek. Her back is protected by a crimson silk velor. Its hanging ring is present. It is signed on the left side "B. Biernstiehl". Very good condition, under its original curved glass
