Description

Victor Coué (1838-1919) "Portrait of an officer cadet of the Saumur cavalry school", silver photograph laminated on cardboard "visiting card" size 10.5 X 6.5 cm. By my faith, it takes a certain confidence, a dose of self-mockery and a sense of humor that one would not suspect in this army corps to dare to pose like this! Proudly perched on his wooden horse, the young man poses in front of a painted canvas representing the School. Do not hesitate to ask us for photos or additional information by email or phone.
