Description

Mirror in painted and gilded wood with a frame edged with pearls. This charming mirror is decorated with scraps of bay leaves. It is surmounted by a pediment composed of an urn framed by two garlands of flowers in carved and gilded stucco. The whole rests on two small feet. The glass has many small oxidation bridges distributed over the entire mirror, without influence on its aesthetics, thus giving it a lot of charm. Dimensions: height 92 cm width 57 cm depth: 4.5 cm Shipping costs by carrier contact us;
