180 EUR

Description

Mimi Pinson's house in the rue du Mont-Cenis under the snow. A cult place in Montmartre that has disappeared today! Very good state; on its original canvas well stretched; beautiful light. The painting is old and therefore presents some cracks of seniority and a small insignificant accident repaired on the back. The table has been cleaned up. Signed Waly lower right. Dimension: 55 cm x 46 cm No frame but a standard format (10 F). Many other objects to discover in my stand at the antique fairs in which I participate.
