2 Interesting 19thc Meiji Japanese Items To Restore, Kushi Comb & Shibayama Bookmark

185 EUR

Period : 19th century

Condition : A restaurer

Description

Here are two very pretty Japanese items, genuine, presented in sad condition. a "Kushi" comb in gold lacquered wood on a brown background and applied with abalone leaves decorated with birds and foliage of leaves and flowers.

And an ivory bookmark, inlaid with insects, in colored ivory and abalone. One is missing and will have to be redone, in Mother-of-Pearl most likely.

Japanese working, dating from the second half of the 19th century, Meiji period.

Condition: my photos are explicit, they detail:

-for the comb: multiple lacks of abalone application, several teeth are damaged and one is missing, small holes drilled at the ends of the object.

-For the bookmark: the absence of an inset insect.
