### Description

Magnificent very large lamp in gilded bronze and black marble from the Napoleon III period. It is about an antique vestal woman holding in her arms the basket from which the light springs. Gilt bronze with incredible, very fresh gilding. Circular stepped and molded base in black marble. The details of the sculpture and the carving of the bronze are very fine and precise. The electrical system is new and removable, linen shade. Period mid XIX th century around 1850. Very decorative lamp. Delivery 50 euros in France, 100 euros in the EU and 200 euros rest of the world.
