Description

rare subject, very beautiful, very present and decorative In the New Testament, the fact of looking at the serpent symbolizes eternal life with Jesus Christ: exalted, 15 - that whoever believes in him may have everlasting life. It would be the profile of jesus and 1 for 2 snakes on the side. I think this is the meaning can be in a church bas relief or an Alsatian door top another possible explanation: The gorgon Medusa Medusa, strong possibility of a piece of boat hull
