Description

Superb pair of oval paintings on porcelain with bouquets of spring flowers: roses, daffodils, sweet peas, pansies etc ...

the flowers are beautifully processed and very realistic and as they are paintings on porcelain the rendering color is vibrant.

they are each framed in their original frames, superb Spanish frames decorated with elongated palmettes with their original gilding.

there are a few small chips on the edge of one of the two frames which was restored a long time ago and which does not alter the beauty of this pair of oval bouquets, it is very inconspicuous.

a work of painting on porcelain of great beauty. very easy to place due to their dimensions and a decorative rendering bursting with color.

the quality of the treatment of flowers is not
