Description

Christian Dagron (1924-2000) Still life in interior, oil on canvas, cm. 81 x 65,5
Signed lower left towards the center
With frame: cm 85 x 70 x 4,5

Dagron's language is figurative, but has a clear expressionist matrix, highlighted by bright and contrasting colors and by the dark sign that surrounds and enhances the synthetic forms. The composition in question, built with essential shapes, a sure hand and a firm stretch, represents one of his typical still lifes with a strong impact, where the objects, often placed indoors or on floors, are those of everyday life.

The painting is in good condition.
