### Description

Corner cupboard

Chinoiserie decoration.

18th Century

Italy

The furniture presents a rare decoration in molded and painted plaster.

The decorations are very imaginative: exotic figures of characters dressed in the oriental style, birds, palm trees, fantastic birds.

It represents the testimony of the mode of chinoiserie in the middle of the 18th century.

The wood is mainly painted black with some red details.

Inside there are 3 shelves.

To be restored
