

Ring Coins 2 Pesos Estados Unidos Mexicana Yellow Gold 24 Carat

790 EUR

Period : 20th century

Condition : Excellent

Material : Gold

Description

Discover our remarkable 18k solid gold ring, a unique piece of jewelry that combines the timeless elegance of gold with the fascinating numismatic history of Mexico.

The Dos Pesos Mexicanos coin, dated 1945 and depicting the national eagle emblem "Estados Unidos Mexicanos", is the focal point of this extraordinary ring. Carefully set in a solid gold band, this historic piece retains its former glory, immortalizing the history and culture of Mexico.

The eagle's head hallmark attests to the authenticity of 18-carat gold, a precious metal that gives the ring exceptional quality and unparalleled durability.
