Bl : Pair Of "dinosaurs" Sculptures

550 EUR

Period : 20th century

Condition : Bon état

Description

BL (20th century) "Dinosaur sculptures", cut iron sheet and assembled by soldering, patinated by adding it, presented on a stone plinth. 39 X 29 X 18 cm for one and 22 X 36 X 18 cm for the other. Monogrammed BL and dated 1979 and 1980. A leg of one of them detached from the base I cracked! The somewhat naive charm of these two sculptures seduced me immediately and even in the absence of information on their author, I proudly returned home with the chagrin of Diane who does not share my interest in these reptiles! Do not hesitate to ask us for photos or additional information by email or phone. Other photos and many other objects in our stores in Pau and Biarritz and on our website: galerielhoste.com.
