### Description

Elegant little Provençal cabinet from Marseille, in walnut, from the 18th century. It is rare because of its small dimensions: height 205 cm! It has a large drawer at the bottom and two small drawers inside and two shelves; the door and side panels are in one piece; the hinges, the entrances and the drawer handles are made of brass (very common in port furniture). The key is 18th, the lock is original and controls an iron rod blocking the door at the top and at the bottom; cremone bolt on the left door. Dimensions: Height 205 cm / Body width 113 cm; width at the cornice 126 cm / depth of the body 61.5 cm; cornice depth 67.5 cm
