

Screen 4 Leaves Nineteenth In Walnut

1 400 EUR

Period : 19th century

Condition : Très bon état

Material : Walnut

Description

Superb and rare screen with 4 leaves in walnut from the XIXth century. The lower part is composed of a panel in a frame and the upper part of bevelled glass terminated by a high crossbar in a policeman's hat and each sheet includes 6 small squares separated by molded crossbars. The sheets of the screen are assembled using hinges which are partly covered with a piece of leather. Screen of original shape, decorative and large in size, in perfect condition.
