### Description

Console in gilded wood in Louis XV style and Napoleon III period. It is 4 feet connected by a spacer. She wears a turquin crimson throat marble. Of Italian origin, it has a lot of finesse and details in its sculpture which gives it a very feminine elegance. In perfect condition of gilding, it can integrate an entrance, a bedroom or a living room. Welcome to my store in Nice opposite the Masséna museum and just behind the famous Negresco hotel.
