Description

French school circa 1820: "Corrected portrait of a young boy", oil on canvas 40 X 32 cm approximately, mounted in a gilded and burgundy frame, a little broken 50 X 42 cm. Very severe this Master! Certainly, his instructions and remarks are judicious, such as to wait until the next day to let dry before continuing, but suddenly, the disciple abandoned the unfinished painting and perhaps definitively gave up painting, which, you will recognize it. in view of the draft is a pity! Even if his long hair feminizes him somewhat, I still think he is a little boy who wore them long in the fashion of the time.
