Description

Discover our magnificent solitaire in 18K Yellow Gold and White Gold, a creation of timeless elegance, enhanced by a diamond of rare beauty.

The diamond, a precious gem carefully cut in a rose gold shine, shines with all its brilliance in the center of this ring. Brilliantly cut, it weighs 0.23 carats, and is held in place by a delicate and solid 8-prong setting, which adds a touch of finesse and sophistication to the whole.

The harmonious combination of 18K Yellow Gold and White Gold gives this ring a classic and elegant look, while offering a subtle touch of modernity.

The ring size is 52.5 in France, 6 in the US and L
