

## XIXth Painting Boat In The Storm

320 EUR

Period : 19th century

Condition : Très bon état

Width : cadre 42cm vue 30cm

Height : cadre 28cm vue 16cm

### Description

Elegant 19th century marine painting representing a raging sea on a cloudy sky background. We see the coast in the foreground then the sea on which sailboats as well as an architecture on the top of a rock, all under a cloudy sky where a few seagulls fly. Nice work of colors, painting on panel presented in a wooden frame and gilded stucco.
