

## Wood And Plaster Model Church Entrance

1 200 EUR

Signature : Debergh

Period : 20th century

Condition : Très bon état

Width : 30

Height : 40

Depth : 12

### Description

Exceptional model made in polychrome plaster and wood, signed by J. Debergh, very fine precision work, probably a companion's work, electrified by the artist's family. Very beautiful depth rendered by the artist. Carved wood frame of high quality cabinetry !! Rather rare and visually stunning masterpiece !! Possibility to hang it or put it down! Format 40 cm high, length: 30 cm by 12 cm deep. With its frame and 27x19 cm for the plaster. Do not miss !! Superb and rare !!
