Dogon Sculpture From Mali With Crusty Patina

2 800 EUR

Period : 20th century

Condition : érosion

Description

Very beautiful and old Hermaphrodite DOGON statue dying 71cm high This Dogon statue represents a hermaphrodite personage with an elongated body, slender and bent limbs, two children sculpted in the back and very rare thing two children sculpted under the breast. It can be compared to the Bombou-Toro style, named after the Bombou region, in the southern center of the Biandagara cliff in Mali. A style close to cubism with undeniable modernity a crusty patina covers the statue The base has been attacked by termites (treated) Beautiful collector's item free shipping worldwidevoir aussi mes autres pièces exceptionnelles, certaines provenant de collections prestigieuses ex; Kerchache, Verite, Dartevelle, Nicaud, Lehuard, Piazzini, Maud et René Garcia, Rasmussen,Ratton, Huguenin,
