### Description

Beautiful half-figurine in porcelain head, Art Deco period. Sitting on a makeshift chair with straw, the body is made of sewn fabric, the interior probably made of horsehair, the hands and feet of metal, the clothes seem to me to be original. Long arms and long legs, the hairline of the fingers is reminiscent of those of Italian santons. Total height from the bottom of the chair to the top of the head 17.5 cm. Number on the back on the neck. Excellent condition. Firm price. Payment check or bank transfer. Shipping costs 12 euros Colissimo recommended or Mondial Relay for France, other countries contact me.
