37.5 x 46 cmPaul Emile Lecomte (1877- 1950).  
Painter of watercolors and oil paintings, etcher,  
and engraver. He was the pupil of Fernand  
Cormon and of his uncle Paul Lecomte. He  
became Official Painter of the French Navy in  
1921. He painted at the beginning of his career in  
the same style as his famous uncle, Paul Lecomte  
(1842-1920) . His first works are often attributed  
falsely to him as their signature can be  
confounded. But he soon developped his own  
style, of which this work is a very good example.
