Description

Unique and very decorative Lamp in high quality resin forming a terrestrial globe. Stepped plexiglass base mounted at its base on a mirror. Very nice work typical of the 1980s. The continents in gold relief stand out harmoniously against the blue Roy blue background speckled with gold of the oceans. This lamp can easily be integrated into a style of contemporary decoration, such as that of a classic decoration. You can choose the plain or the mapped shade (see photos). Total height 0.70 Lamp height 0.46 Foot 0.25x0.25 Shade height 0.30 Shade diameter 0.30
