

Conscript Dagger, 19th Time.

400 EUR

Period : 19th century

Condition : Très bon état

Material : Crystal

Length : 41

Diameter : 10 (la garde)

Description

This dagger was symbolically offered to young people (from good families!) Ready to be incorporated for their military service. The blade, very sharp, is cut crystal. The spun glass handle, with a ribbon decoration: blue-white-red, ends in a tricolor 'tourbillon'. A lace winds around it. Beautiful and rare object of militaria.
