

XIXth Rectangular Box In Arté Povéra

530 EUR

Period : 19th century

Condition : Bon état

Description

Superb and elegant XIXth century box in wood and Povera art. It is composed of 2 parties opening by a hinge system on the back and provided with 2 clasp hooks and a socket on the front. The 4 sides are ornamented with gilded euillage and acanthus motifs on a green background, the domed cover is decorated with a whole frieze in which is inscribed the artpovera decoration representing characters on a background of bassin and architecture. The quality set is in a very good state of conservation, decorative object given the colors have remained bright.
